CAREER OBJECTIVE

Motivated and enthusiastic B. TECH (IT) student with a strong foundation in Data Analytics, Python, SQL, Excel and Power BI. Seeking opportunities to apply technical skills, gain industry experience, and contribute to innovative projects while continuously learning new technologies.

EDUCATION

IMS Engineering College, Ghaziabad

2024-2028

Affiliated to Dr. A.P.J. Abdul Kalam Technical University (AKTU), Lucknow

Bachelor of Technology (Information Technology) | Current CGPA (up to Semester III): 8.2/10

CBSE (Class XII)

2024

Shivoy School | Percentage: 72

CBSE (Class X)

2022

Shivoy school | Percentage: 85

SKILLS SUMMARY

Languages: Python, SQL | Data Analysis & Visualization: Data Cleaning, Data Analysis, Data Visualization, Dashboard Development, Reporting | Tools & Technologies: Power BI, Microsoft Excel, MySQL | Python Libraries: Pandas, NumPy, Matplotlib | Database Management: SQL Queries, Data Extraction, Data Transformation | Business Intelligence: KPI Tracking, Interactive Dashboards, Data-Driven Decision Making | Soft Skills: Analytical Thinking, Problem Solving, Communication, Team Collaboration, Time Management

PROJECTS

Typing Speed Tester

- Developed a Python-based application to measure typing speed and accuracy. | Implemented real-time performance tracking and result generation.

Personal Portfolio Website

- Designed and developed a responsive portfolio website. | Showcased education, skills, projects, certifications, and contact details.
- Create a user-friendly and professional interface.

Data Analytics Dashboard

- Developed an interactive dashboard using Power BI and Excel | Analyzed datasets and visualized key performance indicators
- Generated reports to support data-driven decision-making.

INTERNSHIP

Data Science Master Virtual Internship (AICTE EduSkills & Siemens)

April 2026-June 2026

- Completed a virtual internship focused on Data Analytics fundamentals.
 - Worked with Excel, SQL, Power BI for data analysis and visualization.
- Gained practical experience in data cleaning, reporting, and dashboard development.

MERN STACK TRAINING WITH IBM

1 JUNE 2026-13 JUN 2026

- Learned Python, SQL, and Data Analytics concepts.
 - Performed data preprocessing, analysis, visualization tasks.
- Developed analytical and problem-solving skills through hands-on exercises.

CERTIFICATIONS

Data Science Master Virtual Internship (AICTE Edu Skills & Siemens)

June 2026

MERN Stack Training Certificate – IBM

June 2026
